PTA Newsletter

November 2019 Issue 1

WELCOME!

Hello and welcome to your new Greenwood PTA newsletter!

WHAT DOES THE PTA DO?

We aim to foster the connection between school and home life by organising fun, family oriented social events. With your help and support we also play a vital role in raising much needed additional funds for the school which are used directly to enrich the children's school experience.

Have your say...

We would love to hear from you with ideas for future events, get in touch today!

WHY FUNRAISE?

Our main aim this year is to support the school in **developing the Outdoor Learning initiatives**. This builds on the great success of repairing the Trim trail which was 100% PTA funded and all children who attend the school are able to use and enjoy.

Further to this, we are delighted to announce that your support has helped fund the purchase of **nine new Active Panel white boards for each classroom**, of which the PTA has contributed 50% of the costs.
